FROM PRODUCT LIST TO SALES TOOL

Make the next enquiry easier.

01 / BROWSE

Buyers explore products by category and SKU.

02 / SELECT

Products can be added to a quotation list.

03 / REQUEST

Export an itemized enquiry for your sales team.

Important: this is a portfolio demonstration.

All names, products, prices and specifications are fictional.

The interactive catalogue uses a local quote export only.

A live customer workflow would be scoped and configured separately.
